Keep your beautiful smile with Vivera™ retainers.

Why **Vivera retainers?**

Vivera retainers are clear retainers from the makers of Invisalign® treatment.

Your Vivera retainer is custom-fit for your smile, with your comfort in mind which is important, since you'll wear it while you sleep.

Vivera retainers are designed with your convenience in mind.

Vivera retainers now come in a 1-set or 3-set option, depending on your specific needs as a patient.*

You've spent a lot of time and money getting the smile that you've always wanted, so we want to help you make sure it lasts.

Your doctor may have told you that your teeth could start to shift after you've finished treatment if you don't wear a retainer. Nobody wants that.

Keep your beautiful smile with Vivera retainers.

You made your smile beautiful. Ask your Invisalign doctor for Vivera retainers and keep it that way.

*Vivera retainers will need replacing from time to time. The following are signs that your retainers may need replacing: it no longer fits, feels loose or has gaps, there is calcium build-up, stains or deposits and/or there are small cracks, chips or damage. Please speak to your Invisalign provider if you are unsure.
